

**All Peer Specialist Conference
Continuing Education Unit Code Words**

All conference sessions will be approved for continuing education, for peer recovery specialists by the Minnesota Certification Board and for mental health peers by the Department of Human Services.

During each conference session, a code word will be shared. Following the conference, there will be a survey that you can complete to request a certificate of attendance for each session attended or viewed. You will need to enter the correct code word to get credit for the session. You must complete the survey by August 31, 2021 to receive a certificate.

You can use this sheet to help you keep track of the code words. All the conference sessions are listed below.
